Important - Please Read

By entering the Meeker Classic Art & Photography Show, the artist grants to the Meeker Classic, its successors and assigns, the exclusive right to use and publish for art, advertising, sale or any other lawful use that furthers the promotion of the Meeker Classic, all artwork submitted that is a Classic Art Contest winner for one year from the date of judging of the Classic Art Contest, and a non-exclusive right thereafter in perpetuity. Artist waives any right I may have to inspect or approve the finished product or advertising or other copy that may be used for these purposes and release the Meeker Classic from any liability for any blurring, distortion, alteration, optical illusion, or use in composite form that might occur or be produced in making copies or processing the completed product.

HOW WE DETERMINE WHERE PIECES WILL BE PLACED:

The location is a charming historic log barn - the Meeker Classic tries its best to insure good lighting for each piece. We take a multitude of criteria into consideration when choosing where to display each piece. The layout is chosen to provide the best viewing experience for our visitors as possible. We consider floor spacing, lighting and flow when creating the layout. We will not alter/move the location of pieces once they are hung. After our display is set, it is very disruptive for us to move pieces throughout the art show. It is never as simple as switching pieces one for one. It has a cascading effect throughout the show which leads to us spending a large amount of time determining how to move pieces around to make the show return to our standards. Thank you for understanding.

About the Exhibit

The official judging will occur while all work is displayed at the Wilber Barn at the Trial Site. The show will open on Wednesday, September 3, 2025. The Wilber Barn is a charming historic log barn located at the Meeker Classic Trial Site. The venue is easily accessible to event visitors and provides a nice setting for the show. All work is secure at the site. Due to space and lighting limitations in the barn, most work will be displayed on art panels. The Art Committee will hang the show to physically accommodate all entries while leaving space for the Art Reception and foot traffic during the event.
